Stop Being Lonely Kira Asatryan,2016-01-15 Loneliness Has an Antidote: The Feeling of Closeness Loneliness isn't something that happens only when we are physically alone. It can also happen when we are with people. Online friends,

followers, or “likers” don’t necessarily add up to much when you crave fulfilling interaction, and satisfying, long-term relationships are not a mystery to be left up to chance (or technology). The good news is that, according to relationship coach Kira Asatryan, loneliness has a reliable antidote: the feeling of closeness. We can and should cultivate closeness in our relationships using the steps outlined in this book: knowing, caring, and mastering closeness. Whether with romantic partners, friends, family members, or business colleagues, these techniques will help you establish true closeness with others. The simple and straightforward actions Asatryan presents in this wonderfully practical book will guide you toward better relationships and less loneliness in all social contexts.

Daily Meditations for Women Who Love Too Much Robin Norwood, 1997-06-16 Robin Norwood revolutionized the way we look at love, with a compassionate, intimate book offering a recovery program for women who love too much—women who are attracted to troubled men, who neglect their own interests and friends, and who are unable to leave tormented relationships for fear of being “empty without him.” With multiple millions in sales throughout the world, her *Women Who Love Too Much* remains an invaluable and eagerly sought source of help to women (and men) everywhere. Norwood now enhances the practical wisdom of that book with years’ worth of deep reflection and study. The result is a series of daily meditations that promote sane loving and serene living no matter what is—or isn’t—happening in your personal life. Illuminated by Richard Torregrossa’s humorous yet sensitive pen-and-ink drawings, each page of this book stimulates awareness, offers guidance, and fosters inner growth. Whether you breeze through this charming book in one sitting or savor each meditation and illustration a day at a time, the pages of *Daily Meditations for Women Who Love Too Much* offer fresh inspiration and insights with every reading.

Saudades do Brazil Darius Milhaud, Maurice Hinson, Milhaud's recollections from his nearly two years in Rio de Janeiro (1917-18) compelled him to compose this series of poetic dances---each capturing the unique charms of Rio's different districts, and reflecting the mood and atmosphere of Brazil. Influenced greatly by tango rhythms, these dances are original, and not based on Brazilian folk tunes. Acclaimed music historian and authority Maurice Hinson has meticulously edited this new edition of Milhaud's *Saudades do Brazil* based on the first printed edition.

My Husband's Sweethearts Bridget Asher, 2008-08-19 When Lucy discovered that her charming, cheating husband was dying, she came home, opened up his little black book, and decided she wasn’t going through this alone. After all, Artie’s sweethearts were there for the good times—is it fair that Lucy should have to manage the hard times herself? In this wise, wickedly funny new novel, Lucy dials up the women in Artie’s black book and invites them for one last visit. The last thing she

expects is that any will actually show up. But one by one, they do show up: The one who hates him. The one who owes her life to him. The one he turned into a lesbian, and the one he taught to dance. And among them is a visitor with the strangest story of all: the young man who may or may not be Artie's long-lost son. For Lucy, the jaw-dropping procession of women is an education in the man she can't forgive and couldn't leave. And as the women find themselves sharing secrets and sharing tears, they start to discover kindred spirits—and even something that's a lot like family. But Lucy knows one thing for certain: the biggest surprises are yet to come.... Full of heart, Bridget Asher's unforgettable novel is about mothers and daughters, fathers and sons, and the deep friendships between women. It's about sweet liars and tenderhearted cheaters—about loving those we love for reasons we can't always fully rationalize, and about the sort of forgiveness that can change someone's entire life in the most unexpected and extraordinary ways.

The Dare Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Jennifer is not just eccentric. To Sam, she seems downright crazy. She has terrifying hallucinations involving demons, the devil, and death. Red, White & Royal Blue Casey McQuiston, 2019-05-14 * Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret

romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave.
